Foreword

This, the 1983-84 edition of the *Illianna*, has tried to capture the moments and memories of the past school year. In the years to come we, the members of the *Illianna* Staff, hope this annual will reflect the best times of your life. We would like to acknowledge Mr. Ned Trovillion for the work he has done on our end sheets.

Willard Murrie
Special Education

Mr. Murrie was nominated for the Teacher of the Year Award by a member of our faculty. A nomination packet was subsequently prepared and submitted to Illinois State Board of Education by Patricia Sayers, business education teacher.

After reviewing the nomination packet, an award selection committee of Illinois State Board of Education determined whether the nominee should receive a plaque, a certificate of recognition, or honorable mention. Murrie was one of seven plaque winners in the classroom teacher category.

Mr. Murrie is shown in the photo at left being presented a bronze plaque by Illinois Superintendent of Education Donald Gill.

Girls P.E. Show

On April 12, the girls P.E. department held the first P.E. Show at VHS for the public. Activities included everything the girls P.E. department covered throughout the year. The girls displayed routines on the balance beam, uneven bars, trampoline, and floor; performed fitness tests, square dancing, aerobic dancing, folk dancing, and cage ball before a fairly large audience.

"Just You and I"

The colors for this year's prom were burgundy and silver. The tables were uniquely decorated with a glass which held the napkin and a rose; a burgundy balloon was also tied to the base of the glass.

An exciting event for this year's prom was very different. All of the girls and guys lined up in a circle, back to back. The girls took a white garter from their leg and slipped it on their date's arm. This added a little spice to the evening!

Spring Concert — May 17

The band performed various songs.

Lisa Holm substituted for Mr. Reineking third quarter.

Chorus sang beautifully.

Rock Ensemble in the light!

Art Fair

Our music department and art club once again provided entertainment on the same evening with a concert of music from the band, chorus, and rock ensemble and an art fair with entries from our students as well as from the grade school and members from the community.

We appreciate the hard work of these two organizations.

When little sister is told she can't attend big sister's slumber party, she is determined to get even. When she learns the Blue Light Burglar is in the neighborhood and a mystery girl attends the party, she gets a great idea. She puts her plan into action when the girls start to tell their usual ghost story. After that, all kinds of things start to happen. The 1983-84 version of the boys basketball Eagles proved to be very competitive. They made up for physical deficiencies with outstanding team play, being well-above average shooters and playing with a great deal of heart. At the homecoming game, the Eagles pulled off an unbelievable comeback early in the season against Carrier-Mills and began to believe in themselves. This team will be remembered as one that got as much from their talent as possible even though they had less physical assets and abilities than other Vienna teams. Vienna ended their season with a 15-11 record.

The Lady Eagles tied the best record ever for girls basketball, finishing 21-5. Vienna won the conference title and the conference tournament. Again Massac Co. ended Vienna's hopes for a post season record, with Vienna taking second in the regional. Several records were either set or broken this year. Senior Cindy Penrod set the steal record, averaging per game. Senior Brenda Tapley holds the record for assists, with 94 for the season. Starting with Cindy and Brenda this year were three sophomores: Evette Moore, Mary Moore and Pam Taylor.

Seniors

Michelle Ross — President

Michelle plans to get married after she graduates and possibly attend Shawnee College. She says the thing she likes most about VHS is the friendly people. If Michelle were principal she would change many things. She says for a long time now there have been certain things in our school which have been placed above other things. She thinks at this time in students' lives that such importance shouldn't be put on extra curricular activities, that all things should receive equal advantages. Michelle leaves VHS with this advice to the freshmen: "Get involved, work hard, have fun, and make the best of it your next four years."

Kellie Koker — Vice President

Kellie plans to attend SIU in the fall, studying to be a Court Reporter. She says the thing she likes most about VHS is having an open campus, because she's free to go where she wants. If Kellie were principal she says she would change the exam rule. She feels that if a student has an A or B in his class, he should not have to take the semester exam, regardless of how many times he was absent from the class. Kellie leaves VHS with this advice to the freshmen: "Be yourself and have the time of your life, but don't forget about your grades, because they're important too."

Kristi Choate — Secretary and Treasurer

Kristi plans to go to Murray next fall. She says the thing she likes most about VHS is the exam rule. If Kristi were principal she would change the rule about in-school suspension. She thinks 3 days in-school suspension is a little harsh for missing detention one day. Kristi leaves VHS with this advice to the freshmen: "Have fun and enjoy your four years here; these could be the best times of your life."

Just a Little Note...

To start this letter out right
I'd like to say we've put up a fight
Trying to meet deadlines and keep things in order
Has been as hard as crossing the Mexican border.

We feel we've done the best we could do
And we really hope that you do, too,
Capturing pictures of everything around
When there are all kinds of things here to be found
It's definitely not an easy task
But that's the price of being on the yearbook staff!

Good Luck in everything you do once you've left
And remember -- if things don't work out -- don't
turn to theft.

Straight from the heart!
♥ Heather Harper
